

Master in Water & Waste Water

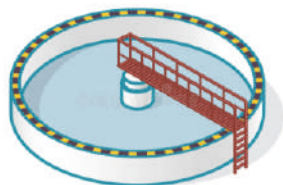

Water, Waste Water & Air Solutions

Excellent Enviro : Water, Waste Water & Air Solutions

More than 10 years of industry expertise in providing innovative solutions and best customer experience in meeting water and waste water treatment needs through our solutions, products and services.

Over 500+ installations across various industries like Food & Beverages, Textile, Pharma, Automobile, steel, Power, Chemical, Fertilizer, Petrochemical, Hospital, Oil & Gas, Dairy, Roads & Highways and Urban Sector

Water Treatment Plant

- « Raw Water treatment
- « Industrial process water treatment
- « Demineralization (DM) Plants

Effluent Recycle & Zero Liquid Discharge Plant

- « Industrial effluent/ Wastewater treatment & Recycle
- « Zero liquid Discharge
- « Condensate polishing systems.

Desalination Plant

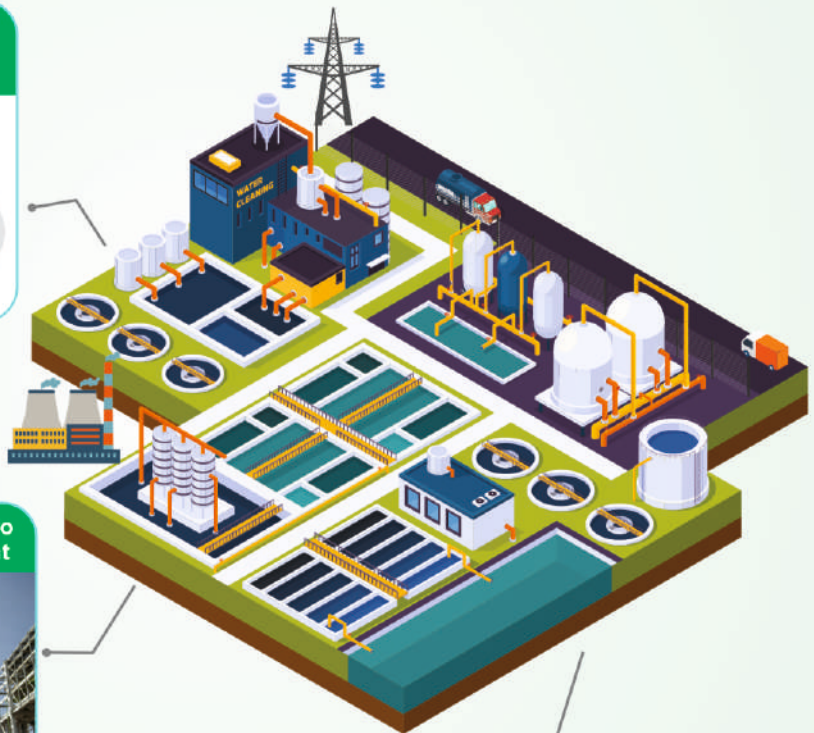

- « Seawater Reverse Osmosis (SWRO)
- « Brackish Water Reserve Osmosis (BMRO)
- « Nano filtration

Water Treatment Products

- « Filters & softeners
- « Standard RO Plants

“Pushing towards the boundaries of excellence”

Sewage Treatment Products

- ◀ Modular, & play systems
- ◀ Low height STP ideal for basement installations.
- ◀ Quick Delivery with less/site work

Solid Waste Management

- ◀ Filters & softeners
- ◀ Standard RO Plants

Hazardous Waste Management

- ◀ Turnkey / BOOT Projects (ETP, STP, CETP, ZLD, WTP, RO)
- ◀ Operation & Maintenance (AMC)
- ◀ Plant capacity up-gradation & improvement
- ◀ Environmental Plant audits
- ◀ Spare Part Management
- ◀ Process chemical management
- ◀ Hazardous waste transportation & management
- ◀ Environmental clearance (EC)
- ◀ Consent to Establish & operate
- ◀ Air pollution control system & management
- ◀ Laboratory services

Services

Bio-Medical Waste Management

“Pushing towards the boundaries of excellence”

Effluent Treatment / Recycle & Zero liquid Discharge Solutions

Excellent Enviro waste water treatment technology ensures that industries meet stringent discharge norms and recycle / reuse back in industrial process and / or cleaning, flushing

Technologies and Processes

- Clarification & filtration
- Physical / chemical treatment
- Heavy metals removal
- Oil / water separation
- Treatment for high COD & high TDS
- Coke oven effluent treatment
- Heavy metals, Cyanide, Fluoride removal
- Biogas generation

Aerobic Biological Treatment

- Fluidized Aerobic Bioreactor (FAB)
- BioCask-Circulating Bed Bioreactor
- Seqtreat-Sequential Batch Reactor (SBR)
- Membrane Bioreactor (MBR)
- Activated sludge process (ASP)

Anaerobic Biological Treatment

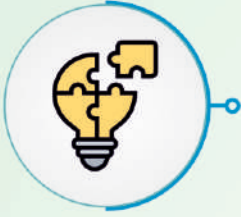

- Upflow Anaerobic Sludge Blanket
- Reactor (UASB)
- Continuous stirred-tank reactor (CSTR)
- Anaerobic membrane bioreactor (AnMBR)

ZLD plant at FDC India Dhatav Roha, Raigad

“Pushing towards the boundaries of excellence”

Water Treatment & Desalination Plants

Solutions

- Desalination Plants
- Raw Water Pretreatment & clarification
- Water softening & filtration
- Mill Scale filtration
- Dissolved Air floatation (DAF)
- Membrane separation systems
- Demineralization (DM) plants
- Condensate polishing systems
- Remineralization plants

Value to Customers

- High Recovery
- Less Operation Cost
- Less Footprints
- Less Downtime

RO Plant at FDC India Dhatav Roha, Raigad

“Pushing towards the boundaries of excellence”

Standard Products for Urban sector

Excellent Enviro green products help in conserving and recycling water. They mitigate the water stress caused by urbanisation.

“Pushing towards the boundaries of excellence”

LABORATORY A NEW CHAPTER
UNFOLDS
IN OUR JOURNEY

**LIVE
YOUR BEST
LIFE!**

Master in Water & Waste Water

EXCELLENT ENVIRO
LABORATORY & RESEARCH CENTER PVT. LTD.

Testing beyond
the limit !

“Excellent” Testing Services

Water & Waste Water :

Industrial and domestic effluents, acid and aqueous leachates, ground water, surface Water, Drinking water, Construction water, Swimming Pool Water & potable water Monitoring & analysis.

Hazardous/Non Hazardous Waste :

Sludge, leachates, residues, ash, drill cuttings and drilling mud, used oil, waste oil, monitoring & analysis.

Other Wastes :

Municipal waste, briquettes monitoring & analysis.

Soils :

Agricultural soil, waste soil, compost, monitoring and & analysis.

Post EC Compliance :

Monitoring & analysis.

Food Testing :

Heavy Metals using ICPMS, Microbial Limits & pathogens, Pesticides Residues, Athatorins, Food Additives, Nutritional Labelling, Amino Acid profiling, Sugar Profiling

Microbiological Testing :

Detection of Pathogens, Residual anti-microbial Substances, Bacterial Endotoxins, Mycotoxins, Disinfection Efficacy, Preservative Efficacy, The Potency of anti-biotics & Vitamiins, Microbiological Monitoring of Indoor Air.

Building Material Testing :

Aggregate, Brics, Bitumen, Emulsions,Cement, Fly Ash, Concrete, Soil, Rock, Steel, Gypsum, Water, Sand.

Environmental Testing :

Monitoring & Testing : Stack Emission of DG set, Boiler, Furnace, Incinerator.

Stack Noise of DG set, Boiler, Furnace, Incinerator.

Ambient air quality, stack and fugitive emmissions, noise measurements, monitoring & analysis.

Indoor Air Quality, Ventilation, Work zone Air, Personal Air Monitoring, Volatile Organic Compound(VOC)

Ambient Noise

Workzone Noise

Micro-Meteorological Monitoring

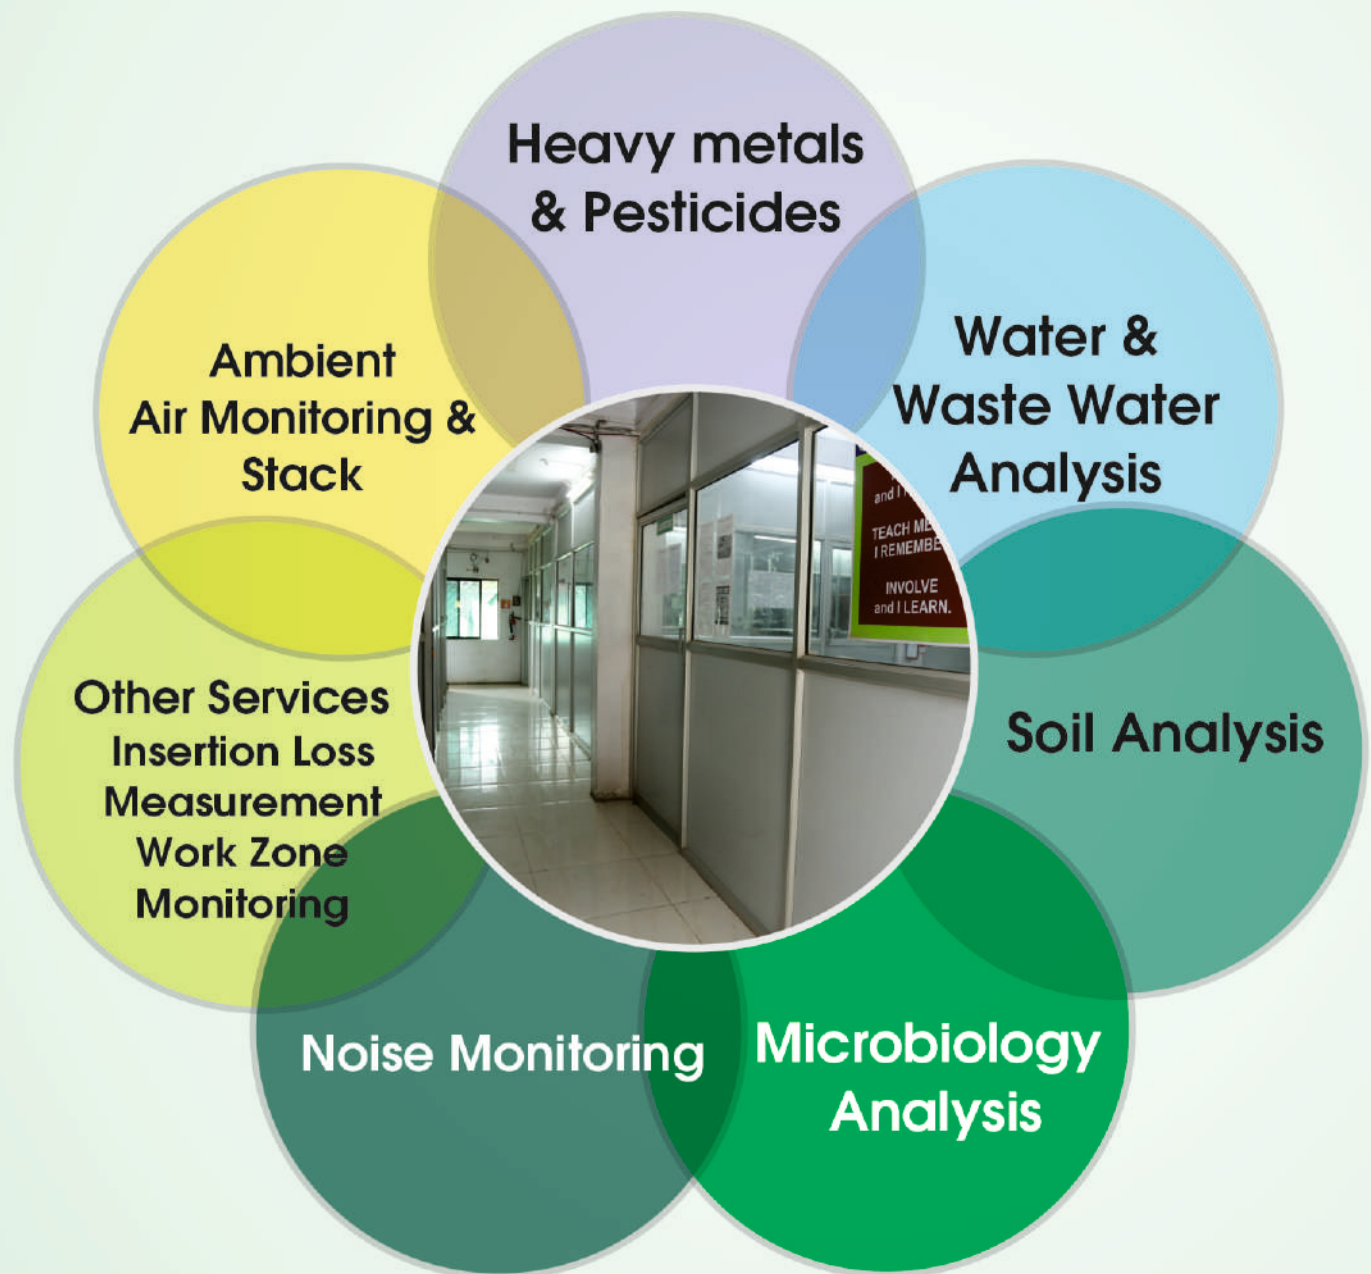

Soil Quality

Noise Level

Lux Level

**Better Environment,
Better Tomorrow**

Services

**Better Environment,
Better Tomorrow**

“Excellent” Consulting Services

Environmental impact assessment (EIA),
Forest & Wildlife studies & Clearances,
Consultancy for pollution board,

Social impact assessment,
Environmental & Pollution Compliances
Ground Water Impact assessment

Certificates, Approvals & Accreditation :

NABL (National Accreditation Board for
Testing & Calibration & Training)
Accredited Laboratory

Gazetted Lab under EP Act 1986 by
Ministry of environment Forest & climate
change (MOEF & CC) / CPCB

ISO 9001, 14001 & 45001 Certified

Better Environment,
Better Tomorrow

Why Excellent Enviro Group

NABL and MoEF & CC
Accredited Laboratory

Provide Turn Key
Project

Operation and
Maintenance (STP,
ETP, RO, MEE)

One stop solution
for various
environmental services

Adequate and Time
bound Reports which
are Inline with
Regulatory Authority
Compliance

Consent Clearance
from MPCB

Experienced &
Qualified Staff

Inhouse team
for designing,
detail engineering

AREA OF APPLICATION

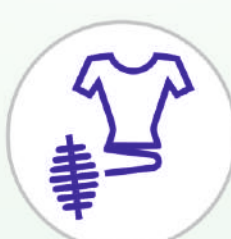

Food & Breweries

Automobile

Textile

Pharma

Commercial /
Urbanization Sector

Industry
& Process

Better Environment,
Better Tomorrow

SOME OF OUR REPUTED CLIENTS

AURANGABAD OFFICE : D-52/18, MIDC Waluj, Aurangabad – 431 136.

☎ 0240-6641879 📞 9970429991 / 7745069991

Email : eelab@excellentenviro.com / info@excellentenviro.com / sales@excellentenviro.com

MUMBAI OFFICE : Dhawalgiri Co-op, Hsg. Society, Building No.1, Flat No. B-3,
Near Peace Park Hotel, Thana Naka, Panvel – 410 206 ☎ 08652671991

Email : mumbaisales@excellentenviro.com

PUNE OFFICE : 'B' Zone 410-41, 4th floor, Near Vijay Sales, Pune-Mumbai Road,
Chinchwad, Pune- 411019 ☎ 7745069991

Email : punesales@excellentenviro.com
